01. Letter from our Founder

Kedios Ooh
Founder

Build, Nurture and Transform education brands

by providing them with holistic business advisory, strengthening their core with sound values and a clearly focused strategy to build a truly sustainable business and make education more accessible for everyone.

02. Company Overview

**Kedios Berhad
is the education-focused
incubator and accelerator.**

We help education entrepreneurs
and organisations of all sizes to
succeed no matter what stage of
growth they're in

03. Mission and Vision

Our Mission

**We groom and transform
20 education best brands
in Malaysia by 2025.**

We focus on building education businesses as we believe education more than anything, has the power to break through boundaries and transform lives.

03. **Mission** and Vision

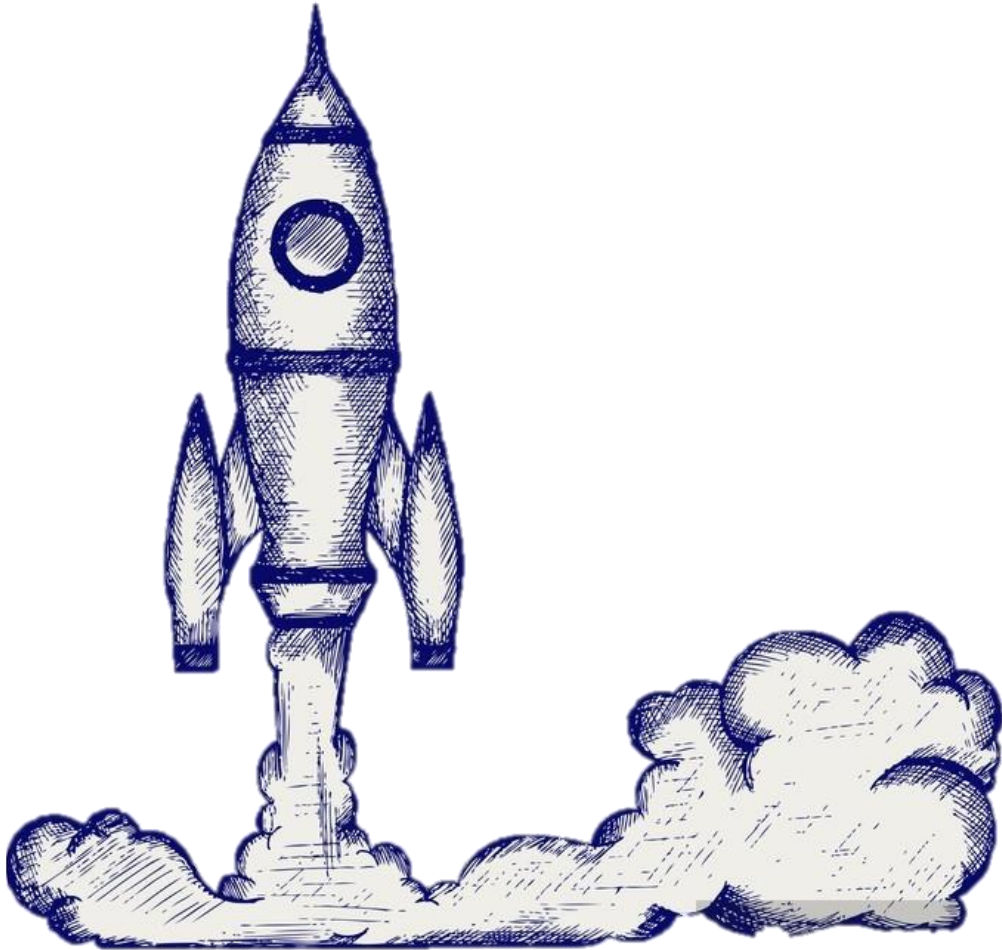

Our Vision

Making Education Accessible for All

by providing education that is real, relevant and relatable at an affordable range that many families can afford

04. What We Do

KEDIOS Incubation & Acceleration Programme

are simply one of the fastest ways to help education start-ups and businesses to grow, scale & get funded.

04. What We Do

Specialty One

Mentorship
Founders get mentored by the core-team-accomplished entrepreneurs with focus on product-market fit, operating at scale and sales & marketing.

Specialty Two

Strategize
Create go-to-market strategy, track progress, smart capital allocation, become sustainable and generate revenue.

Specialty Three

Restructuring & Turnaround
Target corporate business reset and business process re-engineering to save troubled companies and returns them to performance.

Specialty Five

Growth Oriented
Our main aim is to take care of your business growth.

Specialty Six

Enrich Education with Digital Technology
We empower businesses to use technology to enrich teaching and learning.

05. KEDIOS Group

Introducing Kedios Group, a family of Education brands where each with its unique set of ideologies and distinctive learning methodologies.

We may not look and act the same, but we all share the same drive for **succeeding every child** by delivering education that is relevant and relatable and empowering students to be future ready.
