# PRE SCHOOL IS GENIUS!

## WELCOMING PLACE THAT ENGAGES EACH CHILD.

At **Genius Aulad**, every day begins and ends with a salaam, smile and a warm hug.

For 20 years, our cheerful and bubbly team of educators have dedicated themselves to nurturing happy young Muslims who love to learn, and are compassionate towards themselves and others.

Filling the niche for professional 'play-and-learn' Islamic preschools that were very much limited back during its formation, **Genius Aulad** has grown to include more than 70 high-performance branches nationwide - having nurtured more than 73,000 children throughout its history.

## CHEERFUL ATMOSPHERE AND QUALITY CHILDREN CARE.

We provide a happy, secure and enriched learning environment for your children. Your child will feel safe and excited to explore and try new things.

### CHEERFUL ATMOSPHERE & QUALITY CARE FOR CHILDREN.

Through wildly creative, hands-on lessons, exciting school events and social engagement.

All our teachers nationwide go through hands-on, specialized training through the **Genius Aulad** Programme, which helps equip our teachers with the soft skills that they require. This allows us to maintain a consistent quality in the education that we provide across the nation.

### PARENT INVOLVEMENT FOR CHILDREN'S HAPPINESS.

As a **Genius Aulad** parent, you are indeed a part of our learning experience. We welcome you with open arms to work hand-in-hand with us as a team in supporting the educational journey of your child.

# GENIUS AULAD LEARNING SYSTEM

Each one of our children are born unique with high curiosity exploring what they see, feel, smell and listen. Thus we are aware that this stage is highly crucial to connect them with everyday life.

In **Genius Aulad**, every children are equally important for future success. Our modules are specially designed for modules and activities to nurture IQ and EQ development. While preparing our cheerful young generations with real world experience, they never forget about quality bonds with friends, teachers and of course with yourself as the parents.

## OUR TEAM

“Undeniably one of the best parts about teaching for me is being able to learn all the time. Though we teach children, we also learn a lot of new things from them. Sometimes learning is something we do when there are new and better ways to teach the subjects that we love.”
